

**David B. Freedman** is an accomplished human resource consultant who has been with APTMetrics, Inc., since 2000. In his years at APTMetrics, David has advanced from a project assistant level to his current consulting and supervisory position. He has worked with clients across multiple industries on projects in the areas of job analysis, competency modeling, and assessment development and validation. David is responsible for APTMetrics' client survey implementations, which include 360-degree feedback, exit and organizational surveys.

David also manages internal staff which includes HR professionals within varied disciplines and support specialists that provide assistance for a wide range of projects, including secure data management and complex Web-based and offline survey processes.

David and his team support the many hundreds of projects (annually) that are conducted internally in service to our 100+ client companies.

David is certified as a Professional in Human Resources (PHR) by the HR Certification Institute. He is an active volunteer with The Volunteer Center of Southwestern Fairfield County, CT, and is a member of the Society for Human Resource Management (SHRM) as well as the SHRM Southern Connecticut chapter.
