

Samantha Arin Koss is an accomplished human resource consultant who has been with APTMetrics, Inc., since 2004. In her years with the company, Samantha has advanced from a project coordinator to her current consulting associate position. She has worked with clients across multiple industries on projects in the areas of job analysis, competency modeling, and assessment development and validation. She also works with other support specialists in providing assistance for a wide range of projects, including complex Web-based and offline survey processes. Additionally, Samantha provides support to APTMetrics' legal specialists, assisting with litigation-based projects.

Samantha also plays a large customer support role at APTMetrics working with internal and external clients to support the many hundreds of projects (annually) that are conducted in service to our client companies.

Samantha is certified as a Professional in Human Resources (PHR) by the HR Certification Institute. She is an active volunteer with The Volunteer Center of Southwestern Fairfield County, CT, and is a member of the Society for Human Resource Management (SHRM) as well as the SHRM Southern Connecticut chapter.
